

SMBUS Exported Constants

SMBUS general call
addressing mode

```
graph LR; A[SMBUS general call addressing mode] --> B[SMBUS Exported Constants]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'SMBUS Exported Constants'. The box on the right is gray with a black border and contains the text 'SMBUS general call addressing mode'. A black arrow points from the right box to the left box, indicating a relationship or dependency.
