

I2C Exported Types

```
graph LR; A[I2C Configuration Structure definition] --> B[I2C Exported Types]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'I2C Exported Types'. The box on the right is gray with a black border and contains the text 'I2C Configuration Structure definition' on two lines. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship where the configuration structure definition is used by the exported types.
