

arm_mfcc_init_f32

```
graph LR; A[arm_mfcc_init_f32] --> B[arm_rfft_fast_init_f32];
```

A diagram showing a dependency between two functions. On the left, a white rectangular box with a dark border contains the text 'arm_mfcc_init_f32'. A blue arrow points from the right side of this box to the left side of a gray rectangular box with a dark border on the right, which contains the text 'arm_rfft_fast_init_f32'.

arm_rfft_fast_init_f32
