

FLASH Exported Constants

```
graph RL; A[FLASH Flag definition] --> B[FLASH Exported Constants];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text 'FLASH Exported Constants'. The box on the right is gray with a black border and contains the text 'FLASH Flag definition'. A black arrow points from the right box to the left box, indicating a dependency or relationship.
