

Reset_Handler

```
graph LR; A[Reset_Handler] --> B[__PROGRAM_START]
```

A diagram showing a flow from a box labeled 'Reset_Handler' to a box labeled '__PROGRAM_START'. The 'Reset_Handler' box is white with a black border, and the '__PROGRAM_START' box is gray with a black border. A blue arrow points from the right side of the 'Reset_Handler' box to the left side of the '__PROGRAM_START' box.

__PROGRAM_START
