RTC Private macros  
to check input parameters

```
graph LR; A[RTC Private macros to check input parameters] --> B[RTC Private Macros];
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text "RTC Private Macros". The box on the right is gray with a black border and contains the text "RTC Private macros to check input parameters". A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or flow from the gray box to the white box.
