

USART\_Exported\_Functions

USART\_Exported\_Functions  
\_Group1

```
graph LR; A[USART_Exported_Functions_Group1] --> B[USART_Exported_Functions]
```

The diagram illustrates a pointer relationship between two function groups. On the right, a gray rectangular box contains the text "USART\_Exported\_Functions\_Group1". On the left, a white rectangular box contains the text "USART\_Exported\_Functions". A black arrow points from the right box to the left box, indicating that the first group points to the second.
