

osSysTickHandler

```
graph LR; A[osSysTickHandler] --> B[xPortSysTickHandler]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'osSysTickHandler'. The right box is gray with a black border and contains the text 'xPortSysTickHandler'. A blue arrow points from the right side of the white box to the left side of the gray box.
