

I2C Exported Constants

```
graph RL; A[I2C Interrupt configuration definition] --> B[I2C Exported Constants];
```

The diagram consists of two rectangular boxes. The box on the right is gray and contains the text 'I2C Interrupt configuration definition'. The box on the left is white and contains the text 'I2C Exported Constants'. A black arrow points from the right box to the left box, indicating a dependency or relationship between the two.
