

osTimerCreate

```
graph LR; A[osTimerCreate] --> B[osTimerNew]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'osTimerCreate'. The right box is white with a thin gray border and contains the text 'osTimerNew'. The blue arrow points from the right side of the first box to the left side of the second box, indicating a directional relationship or mapping between the two identifiers.
