A flowchart illustrating a sequence of three operations. The first operation, 'arm_atan2_f32', is represented by a gray rectangular box. A blue arrow points from this box to the second operation, 'arm_atan_f32', which is in a white rectangular box with a black border. Another blue arrow points from the second box to the third operation, 'arm_atan_limited_f32', also in a white rectangular box with a black border. The boxes are arranged horizontally and connected by arrows pointing from left to right.
