

arm\_mat\_sub\_q31

```
graph LR; A[arm_mat_sub_q31] --> B[__QSUB]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text 'arm\_mat\_sub\_q31'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text '\_\_QSUB'.
