

Support Functions

Basic Math Functions
for Neural Network Computation

```
graph LR; A[Basic Math Functions for Neural Network Computation] --> B[Support Functions]
```

The diagram consists of two rectangular boxes. The box on the right is gray and contains the text 'Basic Math Functions for Neural Network Computation'. The box on the left is white with a black border and contains the text 'Support Functions'. A black arrow points from the right box to the left box, indicating a relationship or flow from the basic math functions to the support functions.
