

MMU_GetSectionDescriptor

```
graph LR; A[MMU_GetSectionDescriptor] --> B[MMU_SharedSection]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is white with a black border and contains the text 'MMU_GetSectionDescriptor'. The right box is gray with a black border and contains the text 'MMU_SharedSection'. The arrow points from the right side of the first box to the left side of the second box.

MMU_SharedSection
