

xPortSysTickHandler

```
graph LR; A[xPortSysTickHandler] --> B[xTaskIncrementTick]; B --> C[uxListRemove];
```

A flowchart illustrating a sequence of three functions. The first function, 'xPortSysTickHandler', is highlighted with a gray background. A blue arrow points from it to the second function, 'xTaskIncrementTick', which has a white background. Another blue arrow points from 'xTaskIncrementTick' to the third function, 'uxListRemove', also with a white background. All three functions are contained within rectangular boxes with black borders.

xTaskIncrementTick
