

USART_Exported_Functions

USART_Exported_Functions
_Group2

```
graph LR; A[USART_Exported_Functions_Group2] --> B[USART_Exported_Functions]
```

The diagram illustrates a pointer relationship between two function groups. On the right, a gray rectangular box contains the text "USART_Exported_Functions_Group2". On the left, a white rectangular box contains the text "USART_Exported_Functions". A black arrow points from the right box to the left box, indicating that the first group points to the second.
