

Examples

Graphic Audio Equalizer
Example

```
graph LR; A[Graphic Audio Equalizer Example] --> B[Examples]
```

The diagram consists of two rectangular boxes. The box on the left is white with a thin black border and contains the word "Examples". The box on the right is gray with a thin black border and contains the text "Graphic Audio Equalizer" on the top line and "Example" on the bottom line. A black arrow points from the right side of the gray box to the right side of the white box, indicating a relationship or flow from the specific example to the general category of examples.
