

Filtering Functions

```
graph LR; A[Finite Impulse Response (FIR) Lattice Filters] --> B[Filtering Functions]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text "Filtering Functions". The box on the right is gray with a black border and contains the text "Finite Impulse Response (FIR) Lattice Filters". A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or flow from the FIR Lattice Filters to the Filtering Functions.
