

Reset\_Handler

```
graph LR; A[Reset_Handler] --> B[__PROGRAM_START]
```

A diagram showing a flow from a box labeled 'Reset\_Handler' to a box labeled '\_\_PROGRAM\_START'. The 'Reset\_Handler' box is white with a black border, and the '\_\_PROGRAM\_START' box is gray with a black border. A blue arrow points from the right side of the 'Reset\_Handler' box to the left side of the '\_\_PROGRAM\_START' box.

\_\_PROGRAM\_START
